**Names ending in M-Z from William
Darlington's
1857 West Chester Borough Directory**

compiled by Lena Franks, HIS480, Spring 1998
(edited by Jim Jones)

This page contains the names of people listed in the Directory of the Borough of West Chester, for 1857: containing a complete history of the borough from its first settlement to the present time ... by William Darlington (West Chester, PA: Wood & James, Publishers, E.F. James, printer, 1857), 63-93. Copies of the book are available in the West Chester University Special Collections and at the Chester County Historical Society library.

CAUTION: These names have not been checked for accuracy. The original list was created by Lena Franks, a student at West Chester University. Jim Jones adapted the list for use by WCU students by replacing references like "Matlack below Market St." with "000-block S. Matlack St." and by separating entries that contained both places of work and residence.
