

## Faculty Recommendation Form for *Ramifications*

***Ramifications*** is a student-run, peer-reviewed, open-access undergraduate journal published through the Council for Undergraduate Research at West Chester University. *Ramifications* publishes journal articles documenting research and creative activities completed by undergraduate students. West Chester University, part of the Pennsylvania State System of Higher Education, believes in the importance of student scholarship as an outgrowth of student learning. *Ramifications* is an expression of that learning.

*Ramifications* is an interdisciplinary journal and encourages students from all areas of study to submit articles for publication which reflect the definition of scholarship within their discipline. *Ramifications* is published electronically, once a semester.

**Please complete the recommendation below and sign (you are recommending the article be considered to undergo peer review):**

I, \_\_\_\_\_ have read the paper, \_\_\_\_\_

(title) written by \_\_\_\_\_ (student name) in full and find it to be worthy of

consideration for publication by *Ramifications* based on both its content (the work is well-

designed and executed, has appropriate academic rigor, and makes a significant contribution to

the discipline) and general readability (the article should only require minor copy-editing).
